

1434 Commodore Wy, New York, 33019 , NY, US

From here, guests can enjoy easy access to all that the lively city has to offer. With the city's main attractions such as Majestic Theater, AMC Empire 25, Madame Tussaud's New York Inc within close reach, visitors to the hotel will just love its location

Modern and bright, this boutique-style property will please travelers wanting a change from the standard neutral palette of most contemporary hotels. Sporting bold primary colors, the aptly-named The Time hotel is right next to Times Square and in the middle of Broadway's theaters, just over the road from Chicago. Quiet, despite its central position, the hotel is handy to the subway and is obviously in an excellent place for dining and entertainment. Rooms are compact but lacking in nothing, featuring sharp lines and ultra modern amenities like LCD TVs and Bose iPod docks. The chic Inc Lounge - formerly Time Lounge - doubles as the hotel's lobby, where Broadway starlets and travelers listen to hip-hop and rock with a cocktail in hand. Whatever the reason for your stay, Time Hotel will make your stay a good one.
